

KERNERSVILLE PARKS AND RECREATION DEPARTMENT

SPECIAL USE PERMIT APPLICATION

Thank you for choosing a Kernersville Park for your public event. Special Use permits allow Kernersville Parks and Recreation to make necessary maintenance preparations, and avoid overuse of facilities. Per ordinance of the Town of Kernersville (Ch. 20, Art. III) a special use permit is needed for any event, assemblage or gathering in a public park that (a) exceeds 100 people or (b) significantly alters normal operations of the park. The permit is subject to approval or denial by the Director of Parks & Recreation.

An application for a special use permit can be acquired by calling the Parks & Recreation Administrative Office. The application must be submitted to the Parks & Recreation Administrative Office not less than thirty (30) days prior to the date of the proposed activity, and not more than twelve (12) months prior to the proposed activity.

Requirements: The person or organization applying for the permit must comply with all policies, procedures, rules and regulations pertaining to the use of public parks within the town ordinances. A reasonable usage fee shall be assessed by the Director of Parks & Recreation based on its regular fee schedule for usage, with additional costs that may be incurred by the Town for the proposed activity. Proof of liability insurance indemnifying the applicant against any perils, suits, claims and losses, which may arise in connection with the proposed activity, is required to be submitted with the permit.

Approval Process: The Director of Parks & Recreation shall have the authority to grant or deny special use permits. The following criteria shall be the basis for approval or denial:

- Activity will not generate excessive or unreasonable traffic, noise, or will not adversely affect the health, safety or welfare of participants or citizens not associated with the event.
- Activity will not extensively interfere with the primary use or uses for which such park is designed or intended.
- The petitioner will provide adequate security personnel.
- Parking options are adequate.
- Designation of an area compatible with anticipated crowd size and proposed activities.

Notice of Denial: In the event the application fails to meet the above criteria, the request will be denied. If the request is denied, the applicant shall be apprised of the reason(s) in writing and will (a) be able to re-submit an application with the appropriate corrections or (b) entitled to request a hearing with the Parks & Recreation Advisory Board at its next regularly scheduled meeting.
