PARKS & RECREATION

Memorial Tree & Bench Program

You can recognize a special person or event in your life through a lasting gift to your community. Tree donations help beautify the community by providing a healthier environment and a habitat for birds and other animals. Bench donations provide places for rest and relaxation, allowing everyone to enjoy the beauty of our parks and trails.

You might want to donate a tree or bench to celebrate a 50th wedding anniversary or a milestone birthday or to recognize a mentor, coach or teacher. Trees or benches also can serve as a lasting memory of a close friend or relative.

Memorial Bench

There are a limited number of spaces allocated for benches and they will be filled on a first-come first-served basis. This is throughout all our parks.

The donation amount covers the purchase price of the bench and the plaque, and installation of the bench.

Memorial Tree

We select from a variety of native tree species that will flourish in each specific park.

The donation amount covers the purchase of the tree, planting the tree and providing for the tree's care and protection.

The cost is \$1,200 for a bench or tree.

The plaque is 6" x 10" cast aluminum. You can include a completely customized inscription to commemorate the honoree. Please keep in mind that the more characters you have the smaller the font will be to stay within the plaque. The average amount for readability is 5 lines of text.
