

2024 Kernersville Parks and Recreation Coed Softball Post-Season Write-Up

Written by Brandon Bullins

Kernersville, N.C. – Kernersville Parks and Recreation opened its 2024 Fall Coed Softball season on August 22nd. The Coed season included four teams that squared off in multiple matchups throughout the season, all being hosted at the Ivey Redmon Sports Complex in Kernersville.

Two teams battled for the top spot throughout the year, *AWC* and *Caught Looking*. Both squads started off hot, and that did not slow down as the season progressed. *Caught Looking* and *AWC* had a great matchup early on in the season, where *Caught Looking*, led by team captain Sonny Marroquin, bested *AWC* 12 to 10. *AWC* flipped the script for the rest of year, as *AWC* went on a 4-0 winning spree against *Caught Looking* in the rest of their matches.

That is not to be overlooked by *Hit Happens* and *TarDevils*, as both of those teams feuded on the field as well. *Hit Happens*, led by Katie Cockerham, had the upper hand against the *TarDevils* in all but one of their competitions. The *TarDevils*, captained by Lance Pickeral, put up an impressive 15 runs in the matchup between *Hit Happens* on September 19th, but it wasn't enough as *Hit Happens* won by 2 runs, 17 to 15.

The season was originally planned to be completed on October 17th, however it was delayed a week, due to [Hurricane Helene](#). The last day of the season was held on October 24th, with a single- elimination tournament. The first game of the night was *Hit Happens* versus *Caught Looking*. *Hit Happens* had high hopes to defeat the 2nd seeded *Caught Looking* team, but fell short a single run, with a final score of 12 to 11.

The rest of the night was *AWC* proving why they deserved to be the #1 seed. They held both of their opponents to a combined 3 runs between two games. *AWC*, supervised by team captain Lamar Sanders, took home the crown in the tournament and the regular season.

Kernersville Parks and Recreation plans to host a Spring Coed Softball season, beginning in March of 2025.
