

2024 Kernersville Parks and Recreation Soccer White Division Post-Season Write-Up

Written by Brandon Bullins

Kernersville, N.C. – The White Division in Kernersville’s Parks and Recreation Adult Soccer league did not disappoint. The White Division introduced 11 teams, kicking off the season in mid-August. The season ran through the end of November, offering 10 games for each team. The games were held at two locations, Cash Elementary School and Ivey Redmon Sports Complex, both in Kernersville.

The story of the season was high-scoring games. There wasn’t a single week for the entire season that a team didn’t score at least 7 goals in one game. Leading the pack in goals scored was *Qorvo FC*. Led by Jonathan Sanchez, *Qorvo* averaged over 6.5 goals per game for the season. Not too far behind them was *Painter’s Edge FC*, administered by Ryan King. *Painter’s Edge* finished 1st in rankings on the season, with an outstanding 9 – 1 record, only falling to *Inter Amigos*.

Inter Amigos finished third in goal differential with a score of +20. Captained by Fernando Acosta, they also put up an impressive 7 wins on the year. One of their wins came against *Fat and the Furious*, 5 to 2, on Sept. 22nd. *Fat and the Furious*, supervised by Evan Guy, had a couple of impressive wins on the season. They defeated *Comer Dos* and *Team Last Minute* by a combined score of 16 to 7.

Even though *Comer Dos*, guided by Adam Comer, struggled to find the win column for much of the season, they showed improvements and played hard throughout the year. They did manage one win against *Team Last Minute* in the last game of the season. *Team Last Minute* found success in games of their own, however. Overseen by Samuel Serrano, *Team Last Minute* secured a tie against *Degenerates FC*. *Team Last Minute* also forced 33 goals on the year.

Degenerates FC tallied a few wins on the season. Supervised by Chance Smink, *Degenerates FC* started off hot by winning 2 of their first 3 games. They played well against *Mint City Collective*, but fell short by 1 goal on November 3rd. *Mint City Collective* found themselves middle of the pack in final standings but showcased capabilities of being a really strong team. Taylor Olive and crew shutout *Fat and the Furious* 6 to 0 on October 20th.

Another team that found themselves in the middle of the group, but flashed highlights was *Still Got It FC*. Donir Cotoc and squad put up a wowing 10 goals against *Comer Dos* on Sept. 8th. They finished with 54 goals on the year. *Las Aguilas FC*’s winning recipe was much like the 2022 Minnesota Vikings or the 2024 Kansas City Chiefs, do just enough for the win. Memo Cruz and team squeaked out several 1-point wins over the course of the season.

Leading the charge for Louis Van Gaal’s Army was Josh Kuncis. LVGA finished second in seeding on the year. Hoisting a division high +27 goal differential, LVGA didn’t struggle to find wins at any point in the season.

Kernersville Parks and Recreation will host a Spring Soccer season, scheduled to begin in March of 2025.
