2024 Kernersville Parks and Recreation Fall Basketball League Post-Season Write-Up

Written by Brandon Bullins

Kernersville, N.C. – Kernersville Parks and Recreation tipped off its 2024 Fall Basketball Season in September. The fall season offered plenty of intense matchups between new and returning teams. Games were hosted at the Kernersville Recreation Center (for the final time) for entirety of the season.

A new team in the league, team *Stars*, started off shining early in the season. They knocked off *Dem Boys*, the summer season's runner-up, in a 69 to 65 shootout to start the year. The *Stars*, led by Tyshawm Stadler, also collected wins *Jones Elite*, *Zach's Team*, and *OTF*. *Dem Boys* did not take the early season loss lightly though, as they rampaged their way through October, going undefeated in the month. Captained by Kenny Jenkins, *Dem Boys* looked to claim the fall championship after coming just short in the summer season.

OTF, administered by Jamarion Pinkney, another new team in the league, showcased high-powered offense in several matchups this fall. Putting up 70+ points in a few games, they were able to knockoff *Zach's Team* and the *Steelers*. The *Steelers* bounced back after their early season loss to *OTF*, as they got the better of the *Lakers* and *Team Elite*. Guided by Nello Pittman, the *Steelers* put up an astounding 95 points on November 1st.

Zach's Team, managed by Zach Manuel, put up 60+ points in 6 out of the 8 games in the season. They didn't find the win column, but displayed competitiveness in all their matches. They came within 7 points of knocking off the *Lakers* on October 18th. The *Lakers* finished the regular season with only 2 losses by a combined 8 points between the games. With their dynamic offensive scorers, like team captain Eric Fisher leading the way, they made it to the championship game in the playoffs.

Jones Elite struggled to find a win through the first chunk of the season, but managed to find 2 wins in the last game of the regular season, and in the first round of the playoffs. Knocking off *Zach's Team* and *OTF* respectively, they found themselves in a tall task to takedown #1 seeded *Team Cash*. *Jones Elite*, piloted by Kendall Jones, forced a high-scoring game, but fell short 80-74. The top seeded *Team Cash* squad looked to repeat as champions of the league after winning the summer season. Rashad Branch and crew capitalized on their opportunity by only falling in one game for the entirety of the season, playoffs included. Defeating the *Lakers* in the championship game, they are crowned Back-to-Back champs.

2 teams that proved that they could hang with the best in the league were the *Blue Ballers* and *Team Elite*. The *Blue Ballers* started the season 2-2 but finished on a 4-game winning streak to be 6-2. They also made it to the semi-finals in the playoffs, thanks to the leadership of Raymond Xu. *Team Elite*, commanded by Jeremy Spivey, found themselves in a 3-way-tie with *Dem Boys* and the *Stars* at the end of the year. They added up wins against *Jones Elite*, *OTF*, and the *Stars*, but didn't make it far in the playoffs.
