2024 Kernersville Parks and Recreation Fall Soccer Blue Division Post-Season Write-Up

Written by Brandon Bullins

Kernersville, N.C. – The Blue Division in Kernersville’s Parks and Recreation Adult Soccer league flaunted an abundance of fierce teams. The Blue Division displayed 11 teams competing from Mid-August through November. The season offered 10 games for each team. All matches were played at Cash Elementary and Ivey Redmon Sports Complex, located in Kernersville.

The story of the season was balance and competitiveness, as 5 teams finished with the same winning percentage. There were only 2 teams who finished the season without a tie, *Aposento FC* and *Wood*. *Aposento FC*, led by Alfonso Abad, finished middle of the pack with a 5 and 5 record. *Aposento FC* did flash some high-powered offense though, scoring a league-high 11 goals on October 27th. Team *Wood* found themselves in tight matches week-in & week-out. Captained by Jason Wood, Team *Wood* and crew either won or lost by 2 or less goals for 8 out of 10 games of the season.

The most tightly contested teams were *Deadheaders* and *Spillane*, both finishing with 3 wins and 2 ties. They also had an almost identical goal differential, *Deadheaders*, administered by Patrick Tuttle, just edged out *Spillane* by 1. Even their matchup against each other was down to the wire, finishing in a 3 to 2 win for the *Deadheaders*. *Spillane*, piloted by Mark Spillane, put up an impressive 7 goals against Team *Sanchez* on October 27th.

Team *Ignite* and Team *Willis* were motivated teams that also finished with 3 wins on the year. Team *Ignite*, managed by Michael Moua, were on the brink of breaking through the 3-win season, by finishing with 3 ties as well. Tying with Team *Sanchez*, who finished 3rd in the standings, *Ignite* showed that they could compete with the best teams in the league. Team *Willis* caught fire in during the month of November, winning all of their matchups during the month. Their most distinct win came in September, though, as they knocked off *ABCDE FC* 6 to 1.

Another near identical season occurred between two teams. Team *Sanchez* and *Muppet Show FC* both finished 6-3-1 and both had a +14 goal differential. The matchup between the two teams took place on October 13th, where Victor Sanchez and squad bested the *Muppet Show* 8 to 3. Despite the loss, Puppet Master Sean Patterson lead the *Muppets* on a hot streak in the middle of the season, winning 6 out of 8 games stretching from August to November.

The top two spots in the rankings were captured by *KVegas FC* and *Los Borrachos FC*. *Los Borrachos* director Diego Lozada and team dominated their way throughout the season, only losing once and tying twice. With a balance of offense and defense, *Los Borrachos* went on a 5-game winning streak in the midst of the season. Hector Cruz, captain of *KVegas FC*, was the only team able to defeat *Los Borrachos*, as they won 6 to 2 on October 6th. Defense for *KVegas* boosted them to the #1 spot, as they only let up 28 goals, a league low.

Kernersville Parks and Recreation plans on hosting a Spring Soccer League starting in March of 2025.

2024 Kernersville Parks and Recreation Soccer Premier Division Post-Season Write-Up

Written by Brandon Bullins

Kernersville, N.C. – Kernersville Parks and Recreation opened its Premier Soccer division on August 18th. The Premier Division showcased 9 teams, all competing to claim the crown of Kernersville. The fall season offered close matchups all throughout its course. Games were hosted at 2 locations between Cash Elementary School and Ivey Redmon Sports Complex.

Much like a horse race, a few teams fired out of the gate collecting wins. Teams like Rio Grande and GSO United won a handful of wins in the front half of the season. Rio Grande, led by Sean Patterson, won 4 out of their first 5 games. They put up an astounding 9 goals on October 13th against Niupi FC. GSO United, captained by David Escobedo, had a lull halfway through the year, but found 3 wins early in the season, and 3 wins late in the season.

United was another team that started the season strong by tallying 2 wins in their first 3 games. Governed by Brian Collins, United was able to defeat Niupi FC on September 15th in a shootout, 7 to 6.

Niupi FC, administered by Carlos Leiva, finished the season strong by collecting 2 wins in their last 3 matchups. They matched Rio Grande's 9 goal game with one of their own in the last game of the season against AAR Roofing. AAR competed in all of their matchups, tying a game against Combate Barreirinha 5 to 5 on October 20th. Chaperoned by Erin Exline, AAR also managed a win against United.

Combate Barreirinha found themselves being the bell cow of the league, winning all but one game. Finishing in first place of the league, Combate, guided by Diego Santos, pitched a shutout against World Wide Borrachos, 5 to 0. While able to rival their opponents, World Wide Borrachos, overseen by Kevin Limon, didn't find the win column. However, they improved throughout the year and have potential for future success.

Two teams that fell just shy of first place include Joga Bonita and Ball of Duty. Joga Bonita, conducted by Junior Gripp, finished with 8 wins and 2 losses on the season. They tied Combate's 8 wins, but Combate tied one game, and lost one, giving them the slight advantage over Joga. This is not to discredit Joga though, as they won with several high scoring games. Ball of Duty, arranged by Michael Fishel, finished in 4th place on the season. They assembled 7 wins on the year, tying Rio Grande with a 7 – 3 record.

Kernersville Parks and Recreation will host a Spring Soccer season, scheduled to begin in March of 2025.

2024 Kernersville Parks and Recreation Soccer Red Division Post-Season Write-Up

Written by Brandon Bullins

Kernersville, N.C. – The 2024 Fall Soccer season for KPRD kicked off on August 18th. The Red Division hosted 10 teams, all trying to take home the top spot. This 10-game season offered great matchups and high intensity throughout its course. Games were hosted between two locations, at Cash Elementary School and Ivey Redmon Sports Complex, both located in Kernersville.

This season was much like Michael Phelps' infamous fingertip finish to take home Gold in the 2008 Olympics. Numerous teams finished a fingertip ahead of others. The top 3 placed teams finished within 2 goals forced of each other, 5 teams finished with 3 losses, as well as a plethora of tied matches caused a tight race for first place throughout the season.

A unique start of the season happened for *City*, led by Richard Bradley, as their first two matches ended in a tie. They then rattled off three wins in a row to find themselves in the hunt for first place. A late season loss against *Tiki-Taka FC* hurt their chances, but boosted their opponents. *Tiki-Taka*, led by Jose Silva, medaled by finishing third on the year. *Tiki-Taka* finished the season on a 3-game winning streak, including a win against *Aposento Alto*.

Aposento Alto, directed by Alfonso Abad, finished with a winning record on the season. Finding wins against *Stoked FC*, *Rigosos*, and *Comer*. *Aposento Alto* also had a convincing 6 to 2 win over *Twin City FC*. *Twin City's* most impressive match of the year was against *PSG*. *Twin City*, guided by Maria Buonacucia, fell short of victory, but managed three goals against a solid *PSG* team.

PSG, captained by Francisco Contrearas, picked up two huge wins late in the season to make a strong push towards the front of the pack. After tallying wins against *BC Ingram Electric* and *Comer*, they found themselves finishing just outside of the top 3 in placement on the year. *Comer*, led by Adam Comer, assembled a few key wins against *Stoked FC* and *Twin City FC*. *Comer* also finessed a tie against *Tiki-Taka*.

Even with the late season loss, it was *BC Ingram Electric*, championed by Terry Edwards, who found themselves sitting on top of the totem pole. Finishing with 7 wins, 1 loss, and 2 ties, they etched themselves as the top team in the fall season. The comeback team of the year goes to *Rigosos FC*, team captained by Elder Gomez, as they suffered all three of their losses within the first 5 games. The last 5 games were all *Rigosos*, as they finished red-hot on a 5-game winning streak.

Stoked FC put up a competitive 3 goals a game average. That average helped them land a win on September 8th, where they scored 6 goals. Headed by Thomas Anderson, they also had an impressive game against top seeded *BC Ingram*, that ended in a 3 to 3 tie.

Winston FC, administered by Daniel Celedon, found themselves one win away from competing for a top 3 spot. Nonetheless, they strung together a nice 4-game winning streak to finish the season. In those 4 games, they averaged over 6 goals a game.

The Kernersville Parks and Recreation Department will host a Spring Soccer season, scheduled to begin in March of 2025.

2024 Kernersville Parks and Recreation Soccer White Division Post-Season Write-Up

Written by Brandon Bullins

Kernersville, N.C. – The White Division in Kernersville’s Parks and Recreation Adult Soccer league did not disappoint. The White Division introduced 11 teams, kicking off the season in mid-August. The season ran through the end of November, offering 10 games for each team. The games were held at two locations, Cash Elementary School and Ivey Redmon Sports Complex, both in Kernersville.

The story of the season was high-scoring games. There wasn’t a single week for the entire season that a team didn’t score at least 7 goals in one game. Leading the pack in goals scored was *Qorvo FC*. Led by Jonathan Sanchez, *Qorvo* averaged over 6.5 goals per game for the season. Not too far behind them was *Painter’s Edge FC*, administered by Ryan King. *Painter’s Edge* finished 1st in rankings on the season, with an outstanding 9 – 1 record, only falling to *Inter Amigos*.

Inter Amigos finished third in goal differential with a score of +20. Captained by Fernando Acosta, they also put up an impressive 7 wins on the year. One of their wins came against *Fat and the Furious*, 5 to 2, on Sept. 22nd. *Fat and the Furious*, supervised by Evan Guy, had a couple of impressive wins on the season. They defeated *Comer Dos* and *Team Last Minute* by a combined score of 16 to 7.

Even though *Comer Dos*, guided by Adam Comer, struggled to find the win column for much of the season, they showed improvements and played hard throughout the year. They did manage one win against *Team Last Minute* in the last game of the season. *Team Last Minute* found success in games of their own, however. Overseen by Samuel Serrano, *Team Last Minute* secured a tie against *Degenerates FC*. *Team Last Minute* also forced 33 goals on the year.

Degenerates FC tallied a few wins on the season. Supervised by Chance Smink, *Degenerates FC* started off hot by winning 2 of their first 3 games. They played well against *Mint City Collective*, but fell short by 1 goal on November 3rd. *Mint City Collective* found themselves middle of the pack in final standings but showcased capabilities of being a really strong team. Taylor Olive and crew shutout *Fat and the Furious* 6 to 0 on October 20th.

Another team that found themselves in the middle of the group, but flashed highlights was *Still Got It FC*. Donir Cotoc and squad put up a wowing 10 goals against *Comer Dos* on Sept. 8th. They finished with 54 goals on the year. *Las Aguilas FC*’s winning recipe was much like the 2022 Minnesota Vikings or the 2024 Kansas City Chiefs, do just enough for the win. Memo Cruz and team squeaked out several 1-point wins over the course of the season.

Leading the charge for Louis Van Gaal’s Army was Josh Kuncis. LVGA finished second in seeding on the year. Hoisting a division high +27 goal differential, LVGA didn’t struggle to find wins at any point in the season.

Kernersville Parks and Recreation will host a Spring Soccer season, scheduled to begin in March of 2025.
