2025 Kernersville Parks and Recreation Winter Basketball Post-Season Write-Up

Written by Justyn Wilson

Kernersville, N.C. – Kernersville Parks and Recreation's 2025 Winter Basketball Season tipped off in January. This was the first time the season was held in Kernersville's new Recreation and Events Center. The winter season offered a plethora of intense matchups between many returning teams and a few new teams.

A returning team in the league, *Hog Draggers*, started the season and finished the season as dominant as possible. *Hog Draggers* completed a perfect undefeated regular season, showcasing talent, teamwork, and unstoppable drive every step of the way. *Hog Draggers* finished as the regular season champions. Led by Josh Hill, they knocked off the eventual post-season champs *Team Cash* in a 65-63 nail bitter of a game. *Team Cash*, led by Rashad Branch, finished the season on a 4-game win streak. With an impressive 7-1 regular-season record, the team dominated the court with skill, teamwork, and relentless determination. *Team Cash* did not let the loss to *Hog Draggers* deter them as they got revenge in the championship game and finished as Kernersville's Winter basketball post-season champions.

Dream Team, captained by Austin Bell, demonstrated consistent performances during the season. They started their season strong with a 5-game win streak against teams *Belt Boyz*, *Showtime* and others. They showed great team cohesion and spirit during the entire season. As a new team *Belt Boyz* did not take that loss lightly as they preceded to win 3 out of their last 4 games with great team performances. Led by Taz Thomas, they ended the season with a +98-point differential. Another new team who showed their grit and excellent team work was *Carolina Cobras*. The *Cobras*, captained by Chandler Hanover, committed to both offense and defense along with their teamwork allowed them to thrive during the season and finish with an even record. *Cobras* played *Team Cash* in the first game of the postseason and showed they could hang with the best in the league.

Jones Elite, led by Kendall Jones emphasized dynamic teamwork and electrifying offensive play. Their high-flying offensive style has earned them a point differential of +103, demonstrating their offensive dominance and ability to break down opposing defenses with ease. Another returning team, *Team Starz*, captained by Tyshawn Stadler showed that they could compete with any team in the league, boasting a 5-3 record they had many games where they showed what they could produce when firing on all cylinders.

Two teams who had a rough time during the season were *The Long 2's* and *Showtime*. *The Long 2's* led by Alen Izic, started the season roughly but gained confidence as the season went on and put in some really good showings. *Showtime*, led by Marcus Dixon had a very similar season to *The Long 2's* as they both finished the season with the same record and met in the first game of the playoffs. They played a great match against each other with great intensity. *Showtime* ended up taking it by the skin of their teeth in a 45-42 win.

A new team in the league *FedEx Ballers*, led by Josiah Goodman finished the season a respectable 3-5 record. Despite a 3-5 regular season, the team showed heart, growth, and determination every time they stepped on the court. *Beavers Basketball Club*, captained by Daniel Martin had a rough time during the season but never let that discourage them. They were able to get a crucial win early in the season against *Showtime* with a who had the same record at the time.

The Kernersville Parks and Recreation Department will host a Summer Basketball season, scheduled to begin in May of 2025.
