Kernersville, N.C. – Kernersville Parks and Recreation opened its Red Soccer division on March 23rd. The Red Division showcased 12 teams, all competing to claim the crown of Kernersville. The spring season offered close matchups all throughout its course. Games were hosted at 2 locations between Cash Elementary School and Ivey Redmon Sports Complex.

Winston FC claimed the title of Regular Season Champions, finishing with a remarkable 9-1 record. After dropping their very first match of the season, Winston FC bounced back in dominant fashion—reeling off nine straight wins and making it clear they were the team to beat. Their balance of disciplined defense, clinical finishing, and cohesion on the pitch made them a standout all season long.

Just behind them were Las Águilas FC, who finished with a strong 8-2 record. With a mix of experience and creativity, Las Águilas put together a consistent and dynamic season, staying hot on Winston FC's heels the entire way. The next tier in the table both AFC and Tiki-Taka FC end their campaigns with matching 7-2-1 records, each showcasing tactical sharpness and resilience under pressure. They were tough opponents every week and proved capable of going toe-to-toe with any team in the league.

Louis Van Gaal's Army also had an impressive run, finishing 7-3. After starting strong, they maintained momentum for much of the season and often looked like one of the most organized teams on the field. Right behind them, Aposento Alto posted a solid 6-3-1 record, just narrowly missing out on a top-five finish and proving to be a competitive force all year.

Further down the standings, Painter's Edge finished the season on a high note, battling through early challenges to pick up 3 well-earned victories, showing growth in every match. PSG brought flair and attacking brilliance, netting 34 goals across their campaign. Even as City finished in 9th, their ability to maintain a positive goal differential speaks to their strong defensive structure and close matches.
