

2025 Fall Kernersville Parks and Recreation Adult Soccer Post-Season Write-Up (18+)

Written by Brandon Bullins

Kernersville, N.C. – Kernersville Parks and Recreation launched its very first 18+ Open Play Adult Soccer league this season. This Open Play league differs from the Co-Ed league as there are no rules or regulations around gender. Meaning a team could be all male, all female, or a healthy mix. There were six teams that competed in the Open Play, all but one moved over from the Co-Ed league the previous season. All matches of the ten-game season took place at the [Cash/Bagley Sports Complex](#) in Kernersville.

The season kicked off with Men on A Mission taking on Mint City Collective 2. Mission on A Mission, led by Anthony Ponce and Seth Horniak, fell just short in their first matchup against Mint City. They bounced back in week six of the season taking down Mint City ten goals to four. Both squads finished middle-of-the-pack, with four wins a piece. Mint City Collective 2, captained by Taylor Olive, also collected wins against FC Kville twice and Painter's Edge FC once.

The strongest offensive performance of the season came in week five as Painter's Edge FC and Mint City Collective 2 went goal-for-goal with each other. Painter's Edge FC, commandeered by Ryan King, put up an astonishing eleven goals on the night. Olive and crew matched their goals for most of the game, but fell short only putting up eight of their own. A total of 19 goals scored is the season-high between both KPRD Adult Soccer leagues. Painter's Edge FC also finished with four wins on the season.

Two of the more dominant squads in the 18+ league included Goalden Rule FC and PSG. Preston Ford, team leader of Goalden Rule FC, had a demanding +41 goal differential on the season. Their performance landed them as the #1 spot in the standings, as they had a convincing nine wins on the year.

Goalden's only loss on the year? That's thanks to PSG, who finished second in the standings. Francisco Contrearras and team PSG etched several other wins on the year, against squads like FC Kville, Mint City, and Men on A Mission. They marked themselves as a team that won close games, as they only had a +10 goal differential on the year.

Sam Serrano, captain of FC Kville, only managed to put a full squad together a couple times during the season. The times they put together a team, they were a dangerous and fierce competitor. They ended in a draw against Painter's Edge FC and lost by one goal to Mint City.

2025 Fall Kernersville Parks and Recreation Adult Soccer Post-Season Write-Up (Premier)

Written by Brandon Bullins

Kernersville, N.C. – A unique season unfolded this past fall for Kernersville Parks and Recreation's Adult Soccer Co-Ed league. This league offered four divisions, Premier, Red, White, and Blue. Each division hosted ten teams, each playing ten games apiece. The season spanned from August to November with ten straight weeks of play on Sunday evenings. Matches were hosted between two locations, [Ivey Redmon Sports Complex](#) and [Cash/Bagley Sports Complex](#), both in Kernersville.

The Premier division welcomed a few newcomers to the division this fall. Teams like Raven FC, The Nutmeg Collective, and Winston FC all moved up into the Premier division this season from a different division in the Spring. Winston FC, who won the Red division last season, made a statement in week one by knocking off Ball of Duty eleven goals to two. Led by Daniel and Any Celedon, Winston FC was able to collect three wins and two draws on the season, one of which was against The Nutmeg Collective. Tony Carrozzino, captain of Nutmeg, showcased that they were one of the more dominant teams in the division. They tallied five wins and three draws, landing them in fourth overall in the league. Raven FC, steered by Alex Flores, has won their division two seasons in a row now. In the Spring season, they dominated the Blue division with nine wins. This season was no different as they collected seven wins on the year. Their performance on the field landed them at the top of the division.

Ball of Duty had an impressive eight goal game in week nine of the season, topping The Greek Grill. Leader of Ball of Duty Michael Fishel and gang also tied against Nutmeg in week five. This was their best game defensively, as they limited Nutmeg to only two goals. The Greek Grill played very well through the first five weeks, limiting their opponents to less than three goals per game on average. In that span, Memo Cruz and team picked up a win against United. United, who finished middle-of-the-pack, played up and down throughout the year. They went on a two-win, two-loss streak for the first eight weeks of the season. Team Captain of United, Brian Collins and company found a win in the last game of the season to finish with a winning record.

The favorite heading into this season was Kutz FC. Kutz FC won the division in the Spring, did not slow their offensive attack this fall. Kutz FC, commandeered by Kevin Iglesias, tallied a jaw-dropping 68 goals, a Co-Ed league second best. Their 68 goals landed them in the sixth overall spot for the season. The twinning teams of the season go to JOGA and Combate Barrerinha. Both squads finished with six wins, and the same goal differential. It's no secret that they also finished right next to each other in the standings.

JOGA finished second in the Premier division two seasons ago, and fourth in the Spring. They were looking to claim the top spot this season. Junior Gripp, director of JOGA, led his team to third place this season. Combate, governed by Diego Santos, ended their season second in standings. Their wins against Kutz FC, Winston FC, and JOGA helped boost them to podium.

The "Dark Horse" team of the year goes to Los Rigosios FC. Elder Gomez, supervisor of Rigosios, made it clear they meant business after defeating Combate seven to one in week five of the season. They also picked up a win against JOGA in the last game of the season, marking themselves as a team to not sleep on.

The winner of each division will be awarded an extra game ball at the start of the following season for their performance and efforts on the field.

2025 Fall Kernersville Parks and Recreation Adult Soccer Post-Season Write-Up (Red)

Written by Brandon Bullins

Kernersville, N.C. – A unique season unfolded this past fall for Kernersville Parks and Recreation's Adult Soccer Co-Ed league. This league offered four divisions, Premier, Red, White, and Blue. Each division hosted ten teams, each playing ten games apiece. The season spanned from August to November with ten straight weeks of play on Sunday evenings. Matches were hosted between two locations, [Ivey Redmon Sports Complex](#) and [Cash/Bagley Sports Complex](#), both in Kernersville.

A couple of teams in the Red division started the season off red-hot. Teams like Louis Van Gaal's Army and Barberitos had a near identical start to the season. Both teams won the first, third, fifth, sixth, and seventh game of the season, and tied the second and fourth games. By week eight of the season, both squads had a 5-0-2 record. Captain of Barberitos Terry Edwards and team made a push for the most goals in the division, but settled for third most with 49. Louis Van Gaal's Army, captained by Josh Kuncis, finished with an astonishing 65 goals, most in the division.

Teams like City and NC Kings caught fire in the back half of the season, collecting wins week-in and week-out. City went undefeated for a month straight, thanks to their team manager Richard Bradley. City's win streak helped land them in the middle of the standings, being fifth overall. NC Kings, led by Iczar Mendoza, had a couple of winning streaks throughout the course of the season. They started off winning three out of their first four, and ended the season winning four out of their last five. Their seven total wins showcased them to be a dominate team, finishing #3 overall in the standings.

Several new teams joined the league this year. A duo of teams, the Respawners and Poplar Springs United, joined the Red division in hopes to take home the #1 spot. Subhram Dasgupta, commander of the Respawners, had a solid offensive attack. They got into a great groove at the end of the season, nailing eighteen goals in three games. Poplar Springs United, governed by Griffin Gilstrap, played a season clean of penalties. They managed nine out of ten weeks without a yellow or red card. Their impressively clean performance helped them land a win in week five against GSO United.

Two teams that were back and forth with each other on the standings all season include Mint City Collective and GSO United. Mity City took the early head start over GSO in week one, but by week three GSO overtook Mint City and didn't look back. Taylor Olive, chief of Mint City, found a late season win against Polar Springs United. GSO United's commander, Rodrigo Padilla, helped uplift his team in a late push to take a win over the Respawners and a draw against Louis Van Gaal's Army.

A wild start of the season occurred for Aposento FC, as they found two wins, a loss, and a draw in the first four weeks. Led by Alfonso Abad, Aposento FC showed a high level of play in week three and week ten as they took down NC Kings and Poplar Springs United respectively.

The futbol club that took the cake as Red division champs are Stoked FC. The skipper of this squad was Thomas Anderson. Anderson's defensive mindset and leadership led them to a commanding nine-win season. Their 16 goals allowed on the entire season is a Red division best, nearly cutting in half the next best mark of 30.

The winner of each division will be awarded an extra game ball at the start of the following season for their performance and efforts on the field.

2025 Fall Kernersville Parks and Recreation Adult Soccer Post-Season Write-Up (White)

Written by Brandon Bullins

Kernersville, N.C. – A unique season unfolded this past fall for Kernersville Parks and Recreation's Adult Soccer Co-Ed league. This league offered four divisions, Premier, Red, White, and Blue. Each division hosted ten teams, each playing ten games apiece. The season spanned from August to November with ten straight weeks of play on Sunday evenings. Matches were hosted between two locations, [Ivey Redmon Sports Complex](#) and [Cash/Bagley Sports Complex](#), both in Kernersville.

The White Division exhibited new and returning teams from the previous season. New squads like Kerwin and Motley Crew started off slow, but picked up their games in the back half of the season. Both squads found their footing against each other in a week five matchup. Motley Crew, led by Bridget O'Brien, forced six goals. Their six goals just edged out Jacob Jarriel and Kerwin who had five goals of their own. These team showed improvement throughout the season.

Two teams that flipped the script from last season include Still Got It FC and Degenerates FC. Degenerates FC finished the spring season with only two wins. This season, Chance Smink and crew dominated the league as they finished first in the division with nine wins. Their one loss came against Still Got It FC. Leader of Still Got It FC, Donir Cotic, led his team to an impressive eight-win season. They started the season with a loss to Fat and The Furious, and finished the season with a tie against Furious. Everything in between was superiority over their opponents.

A team that is heavily considered a seasoned veteran is Fat and The Furious. Commander of the team, Evan Guy, has been around the league since it's inception more than 10 years ago. Guy and group had a phenomenal year, completing the season with seven wins. Their seven wins placed them third overall in the division, improved from tenth place from the spring season.

Two teams that twined each other throughout this year are Comer and Los Borrachos FC. These bands finished with the same record at 4-5-1. Chief of Comer, Adam Comer, piloted his team to an overpowering ten goal win over Motley Crew in week three. Los Borrachos team captain Diego Lozada made his presence felt in a week four matchup, as his team cruised to a twelve-to-one win. Those twelve goals were the most by any team in the White division this season. It should be no surprise that these teams tied whenever they played each other.

Another much improved team from last season includes Unathletico Madrid. Josh Grix and alliance made a splash by cruising their way to a six-win season. Those six wins doubled their win total from the spring. Niupi-R, a returning team from the Red division last season, completed the season middle-of-the-pack. Leader of Niupi-R, Vlad Bautista, came out of the gate on fire as they won three out of their first four games, averaging five goals a piece in each of those matchups.

Swamptown U made a jump from the Blue division last season to the White division this season. They performed well in a few matches throughout the year. They took an early season L to Comer, but bounced back in the rematch to take down their White league foe three goals to one. That game sparked an offensive push as they went on to tally twelve goals in three games mid-season.

The winner of each division will be awarded an extra game ball at the start of the following season for their performance and efforts on the field.

2025 Fall Kernersville Parks and Recreation Adult Soccer Post-Season Write-Up (Blue)

Written by Brandon Bullins

Kernersville, N.C. – A unique season unfolded this past fall for Kernersville Parks and Recreation's Adult Soccer Co-Ed league. This league offered four divisions, Premier, Red, White, and Blue. Each division hosted ten teams, each playing ten games apiece. The season spanned from August to November with ten straight weeks of play on Sunday evenings. Matches were hosted between two locations, [Ivey Redmon Sports Complex](#) and [Cash/Bagley Sports Complex](#), both in Kernersville.

The Blue division was arguably the closest division out of all of them for the Co-Ed league this season. Even though teams' records might not reflect that, the scores to the games certainly do. Teams like ABCDE FC and Willis, who finished in the lower half of the leaderboard, exhibited offensive firepower in several games this season. Willis, led by Don Willis, cruised their way past ABCDE FC and Spillane in week four and seven, respectively. ABCDE FC, championed by Patrick Tuttle, put up a wowing five goals per game average in their first three games of the season. Their explosive goal scoring made them one of the more feared offenses in the division. Both ABCDE FC and Willis finished with the same record.

A couple of other teams that also completed the season with the same record are Smok FC and Ignite FC. Both these teams are returners to the league, Ignite most recently played in the spring, Smok most recently played last fall. Smok FC, captained by Maria Buonacucina, performed well in mid-season, as they won three out of four games. Their defense was their strong suit, as they allowed the third-fewest goals in the division. Michael Moua, manager of Ignite FC, found their footing in the back half of the season. They also collected three out of four wins to finish the year off. Ignite put up a strong eight goal game to start the season.

Two teams that have been in the league for years include Spillane and Deadheaders. Mark Spillane and crew played really well in the first half of the season, only taking two losses in their first six games. They knocked off Comer Dos and Deadheaders in that stretch. Deadheaders, led by Patrick Tuttle, displayed robust offensive performances throughout the season. Tuttle and team put up 4+ goals in four games throughout the season's course. On top of that, Deadheaders scored an average of over three goals per game.

The most well-rounded team of the Blue league was Comer Dos. Adam Comer and crew showed offensive and defensive specialties during the season. Offensively, they score three or more goals eight times out of the ten-game season. Defensively, they gave up three or less goals five times throughout the season. Their all-around play helped land them a top four spot in the standings. Another team that has been around the league since its inception includes Wood. Jason Wood and corps turned their game around from last season to this one. Finishing twelfth in the Blue division last season, they managed seven wins this season, landing them in the three spot. Their defense was their strong suit, only allowing 23 goals total.

Another duo of alliances flipped the script from last season to this one. Those two teams include Muppet Show FC and Team Sanchez. Team Sanchez, captained by Sam Rouse, seemed to have mastered scoring, as they put up a KPRD Adult Soccer League record with 78 goals scored in a single season. Their average of 7.8 goals per game hoisted them to the #2 spot on the standings. It was Muppet Show FC who took home the crown of the Blue division. Their mixture of brick-wall defense and high-flying offense propelled them to nine wins. Sean Patterson led his team to a dominant performance week-in and week-out.

The winner of each division will be awarded an extra game ball at the start of the following season for their performance and efforts on the field.
